

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. In its goals to promote competition, diversity and localism in today's media market, I strongly believe that the FCC should retain all of the current media ownership rules now in question.

As a citizen of this country, as a member of the public who will be greatly effected by the proposed changes, I hope you will take my concern into consideration. I believe in the moral decency of democracy and fair media is a vital, necessary part. Without fair media we have big brother corporations telling us what to think and what to buy. Without fair and free access to information we will not live in a democracy.

Your decision will effect us all.

Sincerely,

Khara Tiare Alii
